Dear Kitten:

Thank you for all the cute cards you are sending me but I would like a letter, it seems ages since I had one from you. I had a letter from Buddy and he said everything was great did I tell you my brother may get a physical discharge if he doesn't pass his next physical. They said he wasn't fit for sea duty and so he is hoping he passes because he wants to stay in service waiting to hear how things turn out.

Boy it sure is warm here is the weather warm at home. What did you think of the death of the President? I couldn't believe it at first it

just didn't seem possible. I
listened to Trueman give his
first speech to Congress to day but
he isn't as good a talker as
~~Ross~~ Russell. I had to get the
paper and find the correct spelling.
I look as tho I were
carrying a watermelon in front
these days all my weight is in
my stomach & hips. Boy I hope
I lose it there afterwards. I go to
the doctor this week then
start going every two weeks
until my heavenly bundle
arrives. Well my husband wishes
to go out so well say so long
and write me a letter or I'll
fix you good when I get home.
Are you going down to the Cape
this year? Keep the sea old G. E.
going. bye for now.

loads of love
Blattie
